ABSTRACT

This bibliography lists articles and books dealing with the function of public school principals at the elementary, middle, junior high, and high school levels. Only articles appearing in "Education Index" from 1970 through 1973 and books with a post 1969 copyright appearing in the 1973 "Books in Print" were selected. Key words used to locate articles in "Education Index" are: principal, elementary school administration, middle school administration, junior high school administration, high school administration, secondary school administration, senior high school administration, school administration, supervision, and management. Forward

This bibliography lists those articles and books which dealt with the function of the public school principalship in the United States.

The periodicals were those listed in Education Index from 1970 through 1973. The books were those listed in the 1973 edition of Books in Print with a post 1969 copyright.

The key word "Principal" was used to locate articles. In the book search the following key words were used: principal; elementary school administration; middle school administration; junior high school administration; high school administration; secondary school administration; senior high school administration; school administration; supervision; and management.

Articles published in 1970

Ban, John R. "25 Cardinal Principles for the School Principal," The Clearing House, 44, (March, 1970), 441-445.
